課程概述	<p>In level 2 writing courses, in order to help students gain confidence in writing academic prose, the curriculum focuses on taking students from paragraph writing through essay writing through specific exercises and ample opportunities for practice. Students first work on recognizing and identifying key writing structures from model paragraphs and essays. Then they manipulate the structures in short, manageable tasks, for example, working on developing and supporting a central thesis, organizing an outline from which to write, and writing effective introductions and conclusions. Critical thing is emphasized, so that students become aware of the impact of their choice of words, sentences and organizational techniques on the effectiveness of their writing. Writing strategies are also included, for example, timed essay writing, understanding standard instructions, time-management techniques, and methods for organizing information.</p>
