課程概述	The Test of English for International Communication, TOEIC, measures the English proficiency of adults. The test is not an academic test. It is an international test that covers the vocabulary and grammar adults might use anywhere in the world when they use English.
課程目標	The goal of the course is to help students build skills for the TOEIC test. Students will hear, read, and analyze items like those on the TOEIC test. They will also become familiar with the vocabulary used on the TOEIC; learn how to Avoid the Trap and how to manage their time while taking the test. Most importantly, they will improve their knowledge of English.
