課程概述	<p>a) To build composition skills that students already have and they will become familiar with the ability of critical thinking as both a reader and a writer.</p> <p>b) To help students to enjoy the beauty of western literature and to understand movements, influences and cultural of modern era.</p> <p>c) To evaluate and apply concepts about the interrelationship between language and culture by discussion.</p>
課程目標	<p>This course presents a framework for using a variety of reading comprehension strategies in a scaffold manner by studying different evens from the textbook. The course will also engage students by focusing attention on different features of the text in each session with three major themes: fiction, poetry and drama. In this way, students are given concrete strategies that they can use to help differentiate narrative and informational elements in other books they read.</p>
課程大綱	none
