課程目標	<p>Objectives</p> <ul style="list-style-type: none"> • The main objective of this course is to improve students' English skills so that they can meet a foreign university's IELTS requirements. • It is also the objective of this course to generally improve all areas of their English in order to be better prepared to attend a university in an English speaking country. • Students will not only work to improve listening, reading, speaking and writing, but they will also learn how to integrate these skills. • It is very important that students work to build vocabulary. A good vocabulary is essential to passing the IELTS. We will do vocabulary exercises each week and students will be responsible for finding and learning idioms and phrasal verbs. • Students will get acquainted with all types of questions that are used on the IELTS, and strategies will be given and practiced for these questions. <p>Students will improve their skills with:</p> <ul style="list-style-type: none"> • Reading: Topic sentences, skimming, scanning, r
