課程概述	This is the third semester of a four semester program designed to help students get ready for studying abroad. Students will work on improving their academic speaking, listening, reading and writing skills.
課程目標	<ol style="list-style-type: none"> 1. Improve student scores on the TOEFL paper based test 2. Generally improve students' overall English ability to ensure they will be successful in a classroom overseas 3. Help students become critical thinkers and users of English 4. Help students with many of the more practical matters involved with getting accepted to a foreign university
課程大綱	大二托福課程
英文大綱	<p>Each level of the TOEFL Sophomore classes will utilize an appropriate textbook for the skill level of that group of students; thus, the language content of the courses may vary depending on which level the students are at and which textbooks have been chosen.</p> <p>However, each week there will be a focus on building English language skills at the academic level in the following areas: reading, speaking, listening, writing, and culture.</p> <p>The semester will finish with a final practice TOEFL paper based test that all students in the program take regardless of level.</p>
