課程概述	This course emphasizes the vocal part of drama performance. It aims to provide actresses and actors with the technical know-how to improve their voice quality. To use their voices effectively, students will learn to develop and control them through volume, tempo, tone, chunking and articulation. The control and development of these five elements of voice is instrumental in interpreting the meaning of the play (verbal) and in enhancing the body language (nonverbal) in drama performances.
課程目標	Students in this course will learn to develop and control their voice quality in terms of: 1.volume, 2.tempo, 3.tone, 4.chunking, 5.articulation.
