課程概述	This course is meant to help students learn how to read and enjoy literature. It offers many different ways of building and reinforcing the skills of reading; in addition, it emphasizes reading works in different contexts—authorial , historical, cultural, and social.
課程目標	The course aims to equip the students with the basic understanding of the theories and texts of fiction, poetry, and drama in Western literature. We will familiar the students with the theories of each genre first and then apply these theories to the texts for a deeper understanding of each genre.
