課程概述	Picture books offer a variety of genres, rich language, colorful characters, and interesting storylines. They are the perfect tools to enhance learners' English language learning and their understanding of the English culture. This course aims to present different picture books earning skill sheets and activities that encompass a variety of important language skills.
課程目標	The intended purpose of this class is that students will love the books they read and hope that some of the books they read would provide them pleasure and excitement for their intellectual development. Moreover, I hope that students know more about the target language's culture through the books in order to better apply the language. Then, they would know how to present these books to children to keep the literary heritage going on.
