| 課程目標   | This course is designed to equip students with English ability they need for a career in tourism. At the end of this semester, students will have a strong understanding of English usage within the tourism industry. They'll also develop the ability to fully express their own ideas and present travel information in English clearly and effectively. In addition, reading and writing strategies will as well be improved through instruction and in-class exercises.                                                                                                |
