課程概述	This course is designed for students to interact successfully and confidently with both native and non-native speakers of English by providing lectures with practical model conversations and authentic business subjects. This course provides practical listening, speaking and communication skills for people who need English or working in business. It also contains a wide range of essential business vocabulary and grammar. Students will be exposed in designed activities to practice their ability to use new vocabulary, grammar, and social language.
課程目標	
課程大綱	<ol style="list-style-type: none"> 1. Students will be exposed to English being used in a range of different business contexts. 2. Students will listen to a variety of different accents in the listening exercises. 3. Students will develop listening and speaking skills through carefully graded activities. 4. Students will learn key conversation strategies to manage conversations in business settings. 5. Students will learn to use the language studied in business tasks to develop their own professional language skills.
