	plays , To be able to demonstrate language skills in presentations, debates, and role plays , 1 英文表達能力
中文課程大綱	Students will develop speaking ability in English, using English listening and speaking activities in class. Students will identify and use language for everyday contexts, and will identify and apply language for topics of immediate interest to students. Students will also identify and use language for a wide range of topics, both familiar and unfamiliar. Students will be expected to use English in all class activities and in preparing reports, presentations, and role plays for use in class. Students will prepare and present longer presentations, role plays, and debates, and be able to express ideas clearly in English speaking contexts.
