| 課程概述 | Academic Writing is a required two-semester graduate course intended to equip graduate students with knowledge of the features and conventions of academic writing in the English language teaching field, and to develop the participants' writing skills needed for producing clear, coherent, and well organized research papers in the APA format. In the second semester, i.e., in Academic Writing (II), focuses will be put on honing more advanced writing skills and on the processes and strategies of developing the thesis topic, reviewing related literature, presenting and discussing data, and drawing conclusions and implications. |
