課程規範	1.The textbook includes lots of real-world cases for you to experience. You should spend more time to go through those cases. 2.This is an international program. You need to share the facts of your country associated with the issues of financial management or investment when we move into the related topics. 3. Every week I will invite, or say assign, some of you to make presentations concerning the cases and problems in your textbook or the financial issues happening in your country.
