必選修	必修
課程概述	This course is meant to promote students' cross-cultural competence as well as critical thinking skills by introducing them diverse across-cultural topics and having them compare and contrast the customs and cultures of people from Taiwan and the world.
課程目標	
課程大綱	By reading the text of and discussing in class and online the target topics, such as country images, family system and roles, marriage styles, and work-life balance, students will gain the opportunities to increase their knowledge of language usages related to the topics, compare/contrast Taiwanese culture and other cultures, reflect their own cultures, and deepen/expend their understanding of their own culture as well as other cultures.
英文大綱	By reading the text of and discussing in class and online the target topics, such as country images, family system and roles, marriage styles, and work-life balance, students will gain the opportunities to increase their knowledge of language usages related to the topics, compare/contrast Taiwanese culture and other cultures, reflect their own cultures, and deepen/expend their understanding of their own culture as well as other cultures.
